Yes... and we need to bring in Capps office as well,

The Boxer staff is Adlofo Balion in LA.

If you and Harry (and I assume Robert Wise) can let me know a couple of days over the next month that would work I can followup with them; I have a call with all of these offices on Thursday to discuss Halaco so if I had a few days that would work I could throw it out to the group at our call at 4pm and see what would work....Would April 3 be a possibility?  
Thanks, Jim

Subject Feinstein and Boxer Staff want a tour of Greka

Jim - at recent congressional visits in southern california, Molly O'Brien of feinstein's staff, unnamed staff of Boxer's requested a greka tour.

I assume you will organize this? Please keep Harry L Allen and me in the loop on scheduling as one of us will want to join the tour.

thanks, dan
